TOPEKA BLUES SOCIETY

Join Today!

Blues music is as individual as the musician that it possesses. From Memphis, to Texas, to the Delta of Mississippi; St. Louis, Dallas, Chicago, and Kansas City the music you've come to love and seek is alive and well in Kansas.

The Topeka Blues Society, recently formed to promote and further blues music across Kansas, is gearing up for its first year. Events and activities supporting and promoting blues music are being planned and the Kansas Blues Connection web site is in development.

Whether you love the music or just support the arts, the Topeka Blues Society welcomes your membership to the Topeka Blues Society.

Individual, Family, Blues Fan VIP, Bands & Performers, and two levels of Corporate memberships offer a variety of ways to keep in touch with Blues music related events and happenings in and around Kansas.

kansasbluesconnection.org

Visit the KBC website to get information about blues musicians, venues, schedules and more whether you are looking for information around Topeka, Wichita, Hays, or other places across Kansas.

We encourage Blues music lovers everywhere to join the Topeka Blues Society and help "Keep the Blues Alive in Kansas!"

*"Surrender your whole being into a note,

with one chord, John Lee Hooker
could tell you a story as deep as the ocean."
